

Eastern Arizona Courier replaces water-damaged ceiling tiles

Friday, 15 January 2010

Van Payne of the Eastern Arizona Courier in Safford replaces water-damaged ceiling tiles.

The Eastern Arizona Courier in Safford has completed a roofing project that entailed the removal of old roofing material and damaged boards. A single-ply membrane was then applied. Publisher Rick Schneider said he and the staff greatly appreciate the fact that the Wick office gave the OK for this project during difficult economic times.
